

Javaria Masooma

Software Developer

A dedicated software engineer with major expertise in front-end web development, I excel in HTML, CSS, Bootstrap, ReactJS, TailwindCSS, and JavaScript. Moreover, I am expanding my expertise by learning the MERN stack (MongoDB, Express, React, Node.js) to transition into a full-stack developer role. Eager to contribute to a reputable organization, I am ready to leverage my technical skills to tackle challenges and drive success.
